And peace and Allah's mercy and blessings be upon you

My brother by Allah you have cured my heart with your message thank you for the response!!

And success to me and you Allah willing

Of course as you have kindly stated caution and precaution my brother don't worry Allah willing everything is safe

Of course it is not certain since I don't know the unseen however if we are going to meet I ask that you find a safe place of course and that it be a mosque so that my heart will feel assured and if there is another place other than e-mail such as Arab chat or anything not as suspicious as e-mail for discussion until we meet with Allah's blessing

My brother you are probably more knowledgeable than me; I would like you to walk me towards Allah's blessings, until we meet!! !!!

By Allah we will avenge the blood of the Muslims and martyrs and we will soak the ground with the blood of the apostates and the Romans

And peace and Allah's mercy and blessings be upon you

My brother my apology for the late reply due to work circumstances.

Your brother in Allah

Aba-al-Ayyubi
